

Roleplay and Geopolitics Public Blacklist

This document contains a list of players that have been blacklisted for serious offenses on Minecraft Roleplay and Geopolitics servers. Server owners actively maintain this document. It is recommended that server administrators regularly check this document and preban where necessary

Players on this list may be banned for sexual misconduct, pedophilia, server griefing and serious racism. Many servers may pre-ban players on this list in order to protect their communities. Players on this list cannot be removed or hidden from this blacklist.
